Welcome!

You can order carry-out meals to be delivered to your department if you'll be working during meal time and are eligible to eat at staff suite.
You can also modify your existing orders.

Department heads can manage their department's orders here.

Friday

☑ Lunch   *You've placed an order for this meal already. The deadline has passed so you can't make modifications.*

☑ Dinner *You've placed an order for this meal already. You can modify it until the deadline.*

Saturday

☐ Lunch   *You're not eligible to order this meal for carry-out, but you can still go to Staff Suite in person.*

☐ Dinner *You haven't placed an order for this meal yet. You can add one until the deadline.*

Sunday

☑ Lunch   *You've placed an order for this meal already. You can modify it until the deadline.*

states:
- ineligible to order (worth breaking down into ineligible for staff suite overall vs ineligible because not on shift? probs not)
- placed an order, can modify
- placed an order, can't modify
- hasn't placed an order, can modify
- hasn't placed an order, can't modify

My Info

You can modify your dietary restrictions in Reggie. ↗

☑ No gluten

☐ No pork

☐ No nuts

☐ Vegetarian/vegan

Other allergies:

Allergic to onion/garlic

We do not cook with dairy, corn, or seafood. Food with gluten or egg will always have alternatives.

If it's vegetarian, it's vegan.

Please note we are unable to accommodate every constraint.

My Orders

You can add or modify your carry-out orders from here until the deadline.

Your dietary restrictions are: gluten-free. Any orders you submit will be marked gluten-free. You can update your dietary restrictions here.

`Go`

clicking the button should NOT validate whether staffer is eligible to order this specific meal or not, as this screen presumes the DH knows what they're doing

-

it should redirect to the standard order form for that meal, ideally with any dietary restrictions for the staffer in question already marked
